

OCONTO AREA HUMANE SOCIETY NEWSLETTER

January Issue 2025

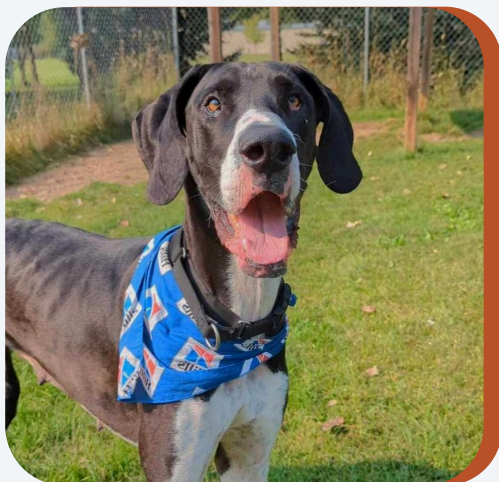

Looking Back on 2024

Written By: Lexi Woodworth, Shelter Director

Looking back on 2024 **we had over 750 animals call OAHS home.** We cared for dogs, cats, rabbits, rats, and birds. 750 animals that needed a safe space, food, shelter, and compassion. Our team of staff and volunteers worked around the clock to give them the care they deserved.

It's amazing what we can do with the support from our community. Without all of you we wouldn't be able to stay open. We wouldn't be able to help the people that need us.

In 2025 I hope to continue this life saving work, expand our spay/neuter program, and expand on our current foster program. We are hoping to add foster-to-adopt options as well as helping relieve stress on some of our long term residents by getting them out of the shelter for a few days. Happy New Year!
